November 28th, 2024

Vancouver, BC – The **Vancouver International Auto Show** will return to the Vancouver Convention Centre (VCC), in 2025 and a limited number of Black Friday priced tickets will be available for purchase starting this Friday!

From **Thursday, November 28th** to **Tuesday, December 3rd**, the Vancouver International Auto Show will offer **50% off General Admission and Family Pass ticket prices**, valid for any day of the event! But these special Black Friday tickets are limited and will sell out! Experience the best in automotive innovation at half the price and don't miss out on this incredible opportunity to celebrate over 100 years of automotive tradition!

"Coming off record-setting attendance last year, the Vancouver International Auto Show solidified itself as western Canada's best-attended consumer show and one of North America's premiere automotive exhibition events" says Executive Director, Eric Nicholl. "Showgoers will find the latest technology-leading, environmentally focused EV's, coupled with lifestyle features and commercial vendors; this is a celebration of the automotive culture in BC."

2025 will feature more than 200 vehicles from over 30 manufacturers and dealers, spanning nearly 300,000+ square feet of space at the Vancouver Convention Centre. It will include a larger commercial/retail area, featured car displays, education centers and—of course—more manufacturers: all designed to ELEVATE the consumer experience.

Consumers will indulge in a showcase of Luxury Supercars and Exotics, technology-leading and environmentally focused BEV’s and Hybrids, high-powered classics, tuners, customs, over-landers, and everything in between.

But this is not your typical Auto Show. This is an experiential automotive event showcasing BC’s largest indoor-to-outdoor EV Test Drive feature, an engaged marketplace, and displays from the most progressive automotive brands, all within an iconic venue boasting spectacular backdrops that exemplify the West Coast automotive lifestyle.

The Vancouver Auto Show is a premier platform for showcasing new automotive technology, and the 2025 edition will uphold this tradition. Attendees can expect highlights on advanced safety systems, electric vehicles, charging solutions, performance accessories - all the cutting-edge technologies associated with the automotive industry.
